PATIO EGG DIFFUSER

90600

This Patio Egg is an easy, safe and effective way to help deter mosquitoes and other biting insects from patios and other outdoor living areas. The DEET-FREE Scents of Nature™ formula is derived from natural essential oils. The Patio Egg's porous nature allows the fragrance to migrate up the sides and to diffuse into your surroundings. The pleasant floral scent will hatch within 24 hours and will cover up to 200 square feet continuously 24/7.

Cost: \$9.50, SRP: \$18.99 / 4 fl. oz., Pack 6
